#### Course Content

There are 4 'Mandatory Units' in this qualification. You need to complete ALL of these, as well as Further units, which have a minimum credit value of 50 to achieve this qualification, from a possible 14 'Optional Units'.

Unit 1: Maintain Health, Safety and Welfare Systems in Construction Contracting Operations.

Unit 2: Plan, Allocate and Monitor Work in own area of responsibility.

Unit 3: Chair meeting and take decisions in Construction Contracting Operations Management.

Unit 4: Develop and maintain working relationships and personal development in Construction Contracting Operations Management.

#### NVQ Level 6 Process

1: Your allocated assessor will 'profile you' to check suitability for the course.

2: Enrolment process agreed and signed up to.

3: NVQ journey (assessment dates) planned and agreed with assessor.

4: Assessments and observations carried out by assessor.

5: The candidate will then upload their evidence and supporting statements to demonstrate competence.

6: Once the assessments have been 'signed off', the portfolio is then quality checked by the 'IQA' and Awarding Body.

7: The 'certificate' will be applied for and the NVQ process is then complete.
