About Golden Gate University, San Francisco

Golden Gate University is a pioneer of higher education in the heart of Silicon Valley since 1901. For over 120 years, its mission has been to make quality education affordable to all. Being the first of many innovating and disruptive programs, it's no surprise that GGU is among the first players to initiate online learning in 1996. A strong 70,000+

alumni network includes NASA Astronauts, Mayors, Entrepreneurs, Industry disruptors, Political, and Legal leaders, and others. GGU has been consistently ranked as #1 in the United States for working professionals due to the impact that it has had on careers and the flexibility it enables for its learners.

Prof. Brent White

Provost and Vice President for
Academic Affairs,
Golden Gate University, San Francisco

Our association with upGrad cements GGU's vision of enabling high quality education for working professionals who aspire to do more than their day-to-day jobs. We're eager to welcome learners from across the world to learn through online & hybrid channels and be a part of our heritage to become the leaders of tomorrow. With this partnership, we aim to create an impact in the lives of students with the availability of scholarships.

Life At Golden Gate University, San Francisco

The GGU San Francisco campus is in that part of the world that if it was a country, it would be among the richest ones. Having HQs of LinkedIn, Google, Intel, Pinterest, Oracle, and Apple as neighbors make it an epicenter of leading global innovation. The city is one of the most desired places to live in America. With a booming economy, great weather, a world-class food scene, and endless options for getting outdoors and staying active, the Bay Area leaves little to be desired in a city. An ideal synergy for a meaningful immersion.

About upGrad

upGrad is an online education platform to help individuals develop their professional potential in the most engaging learning environment through a wide range of programs designed to improve their expertise. upGrad collaborates with top-class universities across the world including the Wharton School of the University of Pennsylvania, Caltech CTME, Purdue University, University of Arizona, Duke CE, Deakin University, Michigan State University, and Liverpool John Moores University, among others. As the ability to partake in the academic rigors of business education

becomes limited due to the demands of work and life, professionals often find themselves in the position of having to treat their continuing education as a burden that comes in the way of their professional performance. upGrad has delivered over 20 million hours of learning, delivering programs by collaborating with universities.
